[Official Patch 9 6 Gp40t06avg00](#)

We identified two areas of improvement for Midseason: adding cohesion to the mage class, and shaking up the strategy surrounding objectives.. Let's dive in While thematically strong (who doesn't like casting spells?), mages have historically lacked a cohesive identity beyond 'damage that's magic.

A lack of clear expectations combined with the sheer size of the class means there's a lot of redundancy across the mage roster.. Introduction Hi everyone and welcome to the new and utterly massive Patch 6 9 notes.. Summary Nerfs: Kindred, Nidalee, Soraka, Taric Buffs: Teemo, Zac Tweaks: Azir, Illaoi Major Reworks: Brand, Cassiopeia, Malzahar, Vel'Koz, Vladimir, and Zyra Minor Reworks: Anivia, Annie, Fiddlesticks, Kennen, Swain, Syndra, Veigar, Viktor, Xerath, and Ziggs Item Changes: Tear of the Goddess, Catalyst of Aeons, Chalice of Harmony, Lost Chapter (New Item), Fiendish Codex, Will of the Ancients (Removed), Rod of Ages, Morellonomicon, Athene's Unholy Grail, Abyssal Scepter, Zhonya's Hourglass, All Hextech items.. 9 notes I'll keep this brief since there's a ton to read and frankly my editor is crashing, but essentially Vladimir, Malzahar, Cassiopeia, Zyra, Brand, and Vel'Koz were completely reworked, whereas a bunch of other mages received minor tweaks.. I'll keep this brief since there's a ton to read and frankly my editor is crashing.
